December 2025

Dear Pensioner:

Re: Endowment Fund Distribution

We are delighted to inform you that through the generosity of our Pension Committee Endowment Funds, you will receive an additional payment this December. These Endowment Funds, established through thoughtful bequests and donations over the years, are intended to honour and appreciate your many years of dedicated service.

If you receive your monthly benefit through Electronic Funds Transfer, the additional payment will be deposited directly into your account on December 15. For those whose benefits are mailed, a separate cheque will be included with your regular payment. Where multiple grants apply, they have been combined into a single payment for your convenience.

Regular pension payments will continue to be deposited on the 26th of each month, or on the preceding business day if the 26th falls on a weekend or holiday. Please note that December is an exception, as payments are issued mid-month.

We also wish to inform you that your net pension may change in January 2026 due to adjustments in insurance premiums and tax rates. A remittance advice will be sent to you in mid-January showing the breakdown of the net pension you will receive, after deductions for taxes and insurance premiums, where applicable.

In place of a separate holiday card, we extend our heartfelt wishes for a joyous Christmas season and a New Year filled with peace, happiness and good health. Thank you for your service and commitment.

With warm regards from all of us at the Pension Office.
